Welcome to the MePersona Partner Program

A quick guide for creators

Thanks for partnering with MePersona through OnCamera. Here's how to get set up in a few minutes.

What you get

- **A free month of MePersona Pro Elite**, the top plan. No credit card needed.
- **Your own link to share.** Anyone who signs up through it gets **20% off their first 3 months** on any plan, plus a 7-day free trial.

Step 1: Sign up

1. Go to **mepersona.ai/partners/oncamera**
2. Enter the partner code OnCamera gave you.
3. Fill in your name, your email, the link name you want and your main social handle. Your link will look like **mepersona.ai/go/yourname**. Choose carefully, because it can't be changed later.
4. Click **Create my partner link**. Your link appears on screen, ready to copy, and I'll also email it to you.

> **Already have a MePersona account?** You'll get a confirmation email instead. Open it within 24 hours, sign in, and your link will be ready.

Step 2: Sign in and set up your persona

1. Open the sign-in email I sent you and click the link.
2. Choose a password.
3. Set up your persona. This is how MePersona learns to write in your voice, and it takes a few minutes.
4. Connect your social accounts so your fan messages arrive in one inbox.

Step 3: Share your link

- Mention MePersona in your content and share your link in your bio, video description or caption.
- Tell your audience what they get: **20% off their first 3 months** on any plan.
- Disclose the partnership. Follow FTC and platform rules for paid partnerships, for example #ad or the platform's paid partnership label.

Talking points

- One inbox for fan messages from your connected platforms.
- Replies drafted in your own voice, so you can answer more fans without losing your personal touch.
- Available in English, Spanish and Traditional Chinese.

About your free month

- You get 30 days of Pro Elite, starting the day you sign up.
- It ends on its own, and you won't be charged.
- Want to keep it? Go to **Billing** in your account and click **Keep my plan** before your trial ends.

Questions?

Email support@mepersona.ai and I'll help you out.
